

SAWT
Southern Alberta Walleye Trail

2010

I would like to introduce myself, Brian Eberts, the newly elected President of the Southern Alberta Walleye Trail (SAWT). The 2010 season is off to a positive start looking back on 2009 with the increase of members, sponsors and participation. With special thanks to the past President - Connor Mulligan, Vice President - Kelly Flaig, and Treasurer - Dave Quinlan who have brought the SAWT to new heights. I have been fishing the SAWT for 5 years, and I have learned a lot of new fishing techniques and made a lot of new friends.

This year we have made a couple changes to the dates and changed location of the 4th tournament to St. Mary's Reservoir. The SAWT for 2010 is allowing 80 boats maximum per tournament, this is based on first-come first-served basis (no exceptions). As you are likely aware, that all teams registered for all 4 tournaments prior to May 1, 2010 will be eligible for the early bird draw of \$300.

We are excited to announce that the maximum payout for 2010 per tournament is \$27,200 based on 80 boats. First place payout will be \$6000 plus daily money based on maximum boats. The locations of weigh boats in the tournament(s) is being reassessed and we would like to provide 2 weigh boats per tournament this year.

The year end banquet will be held on August 21, 2010 the location will be announced in the next few weeks.

With the continued support of our sponsors and members, including our newly elected board members: Mike Lowe-Vice President, Jeff Davidson-Treasurer and myself, we have no doubts that 2010 will be another successful year.

If you have any ideas, questions or concerns please feel free to contact me.

Brian Eberts
President/Tournament Director
Southern Alberta Walleye Trail (SAWT)
